

TRUSTED SKILLS REVIEWER DECLARATION OF CONFLICT OF INTEREST

Conflict of interest is a situation in which a reviewer, who is in a position of trust, has a competing professional or personal interest. Such competing interests can make it difficult to fulfil assessment duties impartially. A conflict of interest exists even if no unethical or improper act results. A conflict of interest can create an appearance of impropriety that can undermine confidence in the reviewer and the assessment activity. A conflict of interest could impair an individual's ability to perform his or her duties and responsibilities objectively.

Instances of a perceived or actual conflict of interest by a reviewer shall immediately be reported to a member of Certification Oversight Board.

Declaration

I certify that I have no conflicts of interest. If an issue arises that may compromise this, I will immediately report this potential conflict of interest to a member of Certification Oversight Board.
